Please select only one item

- 0 - Is not meeting any objectives
- 1 - Is to a small degree meeting objectives
- 2 - Is meeting all objectives

7 Are you happy with reach into the proposed target group(s)?

Please select only one item

- Yes
- No

If no, do you have any thoughts about how this might be achieved, e.g. better engagement with this under-served group?

8 Describe what you have learnt from working with patients from these target groups and did this lead to any changes in your approach? Could this be applied to other groups?

9 Are there any barriers you think system partners could help you address to improve either the 'reach' into these under-served groups or the outcomes you would like to achieve?

Please select only one item

Yes

No

If yes, what are these barriers?

10 Describe your PCN goals for next year in terms of an inequalities focus. For example, is there further developments that could be made with this target group or are you looking to expand the focus to other cohorts and opportunities?
